

*Funding Diabetic Research... for the Cure*

## Volunteer Application

A group of individuals who want to raise funds to conquer the disease of diabetes formed *Bikers Against Diabetes*. We would love to add you to our group of volunteers. Many things need to be done to prepare for this one-day event; such as raffle ticket sales, set up and tear down of event site, clean up, and more.

You do not need to ride a motorcycle to be involved. Your help is needed and appreciated.
